### ABOUT AROGYA CLUB:

The Aarogya Club is a Health club dedicated to promoting holistic health and well-being within the campus community. By organizing health camps, mental wellness sessions, and awareness programs, the club fosters a culture of physical fitness and mental resilience. With initiatives like blood donation drives, health check-ups, wellness workshops and Marathons, Aarogya Club encourages students to prioritize their health while staying engaged in meaningful activities.

Website link

[Website Link](#)

Objective

- To foster a healthier campus by promoting physical, mental, and emotional well-being. We aim to create awareness through workshops, encourage healthy lifestyles, reduce stress with

wellness initiatives, and support community health through camps and drives. Our goal is to build a supportive, stress-free environment for everyone.

#### **ABOUT CHETNA CLUB:**

Chetna, a Hindi term for "awareness" or "consciousness," plays a crucial role across various domains such as spirituality, social change, and personal development. In spirituality, Chetna signifies a deeper understanding of oneself and the universe, fostering enlightenment and inner peace. Within social change, it drives individuals to recognize and address societal issues, promoting justice and progress. In personal development, Chetna encourages self-awareness and growth, helping individuals make informed decisions and lead fulfilling lives. By embracing Chetna, people can achieve greater clarity, compassion, and effectiveness in their personal and collective endeavors, thereby transforming their lives and communities.

#### **Objective**

- Serve the nation with dedication and promote holy festivals, while also providing career counseling to help students make informed choices. Encourage active participation in societal development and empower women through activities on important days such as Environment Day and Women's Day. Host quizzes, debates, and events to honor freedom fighters, and conduct mock tests for competitive exams. Facilitate direct interaction between students and faculty to address academic and personal issues. Provide a platform for young talent to showcase and develop their skills, foster leadership qualities, and raise awareness for campus improvement. Establish a yoga club for mental health support and organize social initiatives like blood donation drives and health days.

DANCE club at NITJ:

A place which provides the ultimate stage for students to explore and groove to diverse dance styles, from Bollywood to classical Indian forms. It's where creativity meets community in a vibrant celebration of movement and rhythm. United by dance we are : BHANGRA CLUB | CRIMINALZ CREW | SI CREW

Website link

[Website Link](#)

Objective

- Vision: From the very beginning, our vision has been to establish a group that not only entertains but also serves as a source of inspiration and education through dance.
- Goals: We aim to create dance routines that go beyond mere performance, striving to craft works that captivate audiences by delivering performances that resonate emotionally.
- Creative Innovation: Our focus is on pushing the boundaries of dance by developing choreography that are not only technically impressive but also creatively groundbreaking.
- Commitment to Excellence: The dedication, passion, and hard work of our club are at the heart of everything we do. We believe these qualities are essential for our continued success and growth as a dance group.
- Confidence in Growth: With our deep commitment to the art of dance, we see every challenge as an opportunity to evolve and enhance our craft.
- Legacy and Impact: Our long-term goal is to be a source of inspiration for generations to come.

Upcoming Events

- Classical performance at TEDx by criminalz crew 7/9/24
- Group performance on SARC event by criminalz crew
- Performance at CHEMCON (organised by Chemical Dept.) by criminalz crew
- Performance at Bharat Dhwani by Criminalz Crew
- Classical performance at Ambedkar Jayanti by criminalz crew

## Fashion and Modelling Club of NITJ:

The Fashion and modelling club in NIT Jalandhar typically aims to provide a platform for students interested in fashion, photography, and self-expression. Its goals include fostering creativity, building confidence, and developing professional skills within the modeling industry. Motives for joining might range from exploring personal style to networking with industry professionals. The purpose of such a club is to create a supportive community where members can learn from each other, collaborate on projects, and showcase their talents through events like fashion shows and photo shoots.

Website link

[Website Link](#)

Objective

- To Promote Self-Expression: Encourages members to express themselves through fashion, photography, and personal style
- To Build Confidence: Provides a supportive environment for members to boost their self-confidence and self-esteem through modeling experiences
- To Develop Professional Skills: Offers opportunities for members to develop modeling, runway walking, posing, and photography skills that are valuable in the fashion industry

- Networking Opportunities: Facilitates connections with professionals in the fashion and modeling industries through guest speakers, workshops, and networking events
- Community Engagement: Engages with the college community through fashion shows, photo shoots, and other events to showcase talent and creativity
- Collaborative Projects: Encourages collaboration among members on creative projects such as themed photo shoots, runway shows, and editorial spreads
- Education and Awareness: Raises awareness about industry standards, positivity, and ethical practices within the fashion and modeling industries
- Personal Growth: Supports members in their personal growth journey by fostering a positive and supportive club culture that encourages self-expression and exploration

#### **FINANCE SOCIETY NITJ (FINNEST):**

The Finance Society of NITJ is a student-run organization at NIT Jalandhar dedicated to fostering a vibrant community of future finance professionals. We equip our members with the knowledge and skills to navigate the dynamic world of finance.

#### **Objective**

- Promote Financial Literacy: Enhance students' understanding of investing and personal finance through workshops, seminars, and educational resources on topics like investment strategies, budgeting, and financial markets.
- Facilitate Practical Learning: Provide hands-on experience in stock market analysis and trading through simulations, workshops on technical and fundamental analysis, and investment competitions.
- Foster Networking and Career Development: Create networking opportunities with alumni and finance professionals, focusing on careers in investment banking, asset management, and equity research through guest lectures, panel discussions, and networking events.
- Advance Quantitative Finance Skills: Promote quantitative analysis as a key skill for financial decision-making. Offer specialized workshops, mock interviews, and resources on quantitative finance, including statistical modeling and algorithmic trading.
- Contribute to Community Outreach: Organize outreach programs to promote financial literacy and investor education among underserved communities, in collaboration with schools, non-profits, and local organizations.

### **Fine Arts Society (FAS) NITJ:**

The Fine Arts Society, or "FAS," is the official club of NIT Jalandhar that promotes all areas of fine arts, including visual and graphic arts. FAS organises events all year long to inspire and support artistic endeavours and bring out the artist in each of us. Even complete beginners can quickly pick up brushes and make assured strokes because to the activities' superb learning environment. The club members, particularly the more recent ones, are also offered lots of chances to compete in art competitions. FAS holds the view that art can be created from everything and is not just restricted to paints and brushes. As a result, there is now a culture that encourages innovation through cooperation, experimentation, and creativity.

Website link

[Website Link](#)

Objective

#### **IOTA (MediaCell) NITJ:**

Internet Optimisation and Technology Analytics (IOTA) aims to encourage the Technological culture among the students leading to personal development as well as institutional growth . IOTA organises various Student development programmes and Institutional development programmes within the campus. We aim to build a community which creates an entrepreneurial , technological and leadership culture so that the upcoming youth can respond effectively to the emerging challenges and opportunities at the national levels. As a community, we aim to empower NITJ students by fostering a community that encourages collaboration, learning, and innovation in technology . We also conduct guest lectures and skill development training programs for the students to continue building their innovative minds, as well as manage various institute events. As the media cell of the institute, IOTA works closely to support the institute's mission and contribute to its growth and development

Website link

[Website Link](#)

## Objective

- Personal and Institutional Development: Organizing programs that contribute to the growth of both individual students and the institution as a whole.
- Encouraging Technological Culture: Cultivating an environment that values technology and innovation among students.
- Facilitating Learning and Innovation: Providing opportunities for continuous learning through guest lectures, training programs, and events that stimulate creativity and technological advancement.
- Supporting Institutional Mission: Acting as a media cell to align with and promote the institute's goals and contribute to its overall development.
- Empowering Students: Equipping students to effectively address emerging national challenges and opportunities through skill development and innovative thinking.
- Media Cell of the Institute: Serving as the media cell to effectively communicate and disseminate information about the institute's initiatives, events, and achievements, thereby enhancing the visibility and reputation of the institution.
- Building a Community: Creating a collaborative community that emphasizes entrepreneurship, technology, and leadership skills.

#### **REGIONAL LANGUAGES CLUB:**

Dive into the vibrant world of languages, stories, and cultures with the Regional Languages Club (RLC)! At RLC, we explore the rich literary landscapes of India's diverse regional languages, from mesmerizing folk tales and timeless poetry to profound philosophies that connect hearts and generations. Experience Weekly Mehfils and Workshops: Learn new languages, discover traditional art forms, and master folk instruments like the Dholak, Tumbi, Bugchu, and Iktaatra! Celebrate Cultural Heritage: Engage with passionate storytellers, poets, and thinkers who honor the unique voices of every region. Build Your Confidence: Develop public speaking skills in an inclusive space where every voice is heard, and every narrative is cherished. Whether you're a language enthusiast, a culture lover, or simply someone looking to connect with others over shared traditions, RLC is the place to be!

Website link

[Website Link](#)

**Objective**

- Promote Linguistic Diversity: Celebrate and promote the rich diversity of India's regional languages, ensuring that each language and its unique cultural heritage is recognized, preserved, and appreciated.
- Foster Cultural Exchange: Create a platform for students to engage with the literature, art, music, and traditions of different regions, fostering mutual respect, understanding, and a sense of unity amidst diversity.
- Encourage Literary Exploration: Explore the vast literary treasures of regional languages, including stories, poetry, folklore, and philosophies, to deepen cultural knowledge and appreciation among members.
- Enhance Language Skills: Provide opportunities for students to learn new languages, improve their communication skills, and gain confidence in expressing themselves in various linguistic contexts.
- Develop Public Speaking and Performance Skills: Organize regular events such as Mehfils, workshops, and cultural showcases to help members build their public speaking, storytelling, and performance abilities.

#### **Photography and Movie Club NITJ:**

The Movie Club (Deja Vu-) and Photography Club (Netra) at NIT Jalandhar are the two dynamic and inclusive community of students dedicated to celebrating the art of cinema and Photography. We are united by our love for films, photos, cinema, visual arts and the desire to explore the diverse spectrum of cinematic experiences that our lens has to offer. Our club serves as a platform for students to come together, discuss, and appreciate the rich tapestry of cinema and photography from around the globe. Join us and embark on a cinematic journey like no other. Whether you're an ardent film lover, a photography enthusiast, an aspiring director, or simply curious about the world of cameras, there's a place for you in our club. Together, we'll explore the realms of storytelling, culture, and artistry through the lens of our camera. So, grab your popcorn, open your mind, and prepare to be transported to worlds both familiar and uncharted. We welcome you to experience the magic of Movies and Photography right here at NIT Jalandhar!

Website link

[Website Link](#)

Objective

- Visuals Appreciation: We aim to foster a deeper understanding and appreciation for the art of photography and film making, from classic masterpieces to contemporary gems.
- Cultural Exchange: We believe that cinema transcends boundaries, and we organize screenings of films and photography to promote cultural exchange and global perspectives.
- Discussion and Critique: Engaging in thoughtful discussions and critiques helps us delve into the intricacies of storytelling, direction, and cinematography.
- Workshops: We host workshops for budding photographers and film enthusiasts and to give them a chance to learn and hone their skills.
- Photo walks: Netra organizes photo walks that offer a unique opportunity to enhance your photography skills while exploring new perspectives in everyday scenes.

- Film Festivals: Deja Vu participates in and organize film festivals, showcasing the creative talents of our students.

#### **Social Works Club NITJ:**

The Social Works Club is a vibrant community where passionate individuals gather to make a positive impact on society. With a mission to foster social change and empower marginalized communities, this club serves as a platform for activism, philanthropy, and advocacy. At its core, the Social Works Club is a catalyst for meaningful connections and collaboration. Members come from diverse backgrounds, united by their shared commitment to addressing social issues and driving sustainable

change. Whether students, professionals, or volunteers, everyone brings their unique skills and perspectives to the table. The club's activities encompass a wide range of initiatives, from organizing fundraising events and volunteering at local shelters to hosting awareness campaigns and partnering with grassroots organizations. Through hands-on projects and engaging discussions, members gain valuable insights into pressing social issues while honing their leadership and teamwork abilities. What sets the Social Works Club apart is its unwavering dedication to inclusivity and social justice. Embracing diversity and equity, the club strives to amplify the voices of marginalized groups and dismantle systemic barriers to equality. By fostering empathy and understanding, it seeks to create a more compassionate and equitable society for all. In addition to its advocacy work, the Social Works Club also provides valuable resources and support for aspiring social workers and changemakers. Through mentorship programs, workshops, and networking opportunities, members receive guidance and encouragement as they pursue careers in social services and community development. Overall, the Social Works Club is more than just a student organization—it's a force for positive change in the community. With a passionate and dedicated membership, it continues to inspire hope, drive progress, and build a brighter future for generations to come.

#### Objective

- Advocate for equity, justice, and inclusivity through awareness-raising and policy advocacy
- Serve marginalized communities through volunteerism and philanthropic initiatives
- Educate members on social issues and promote lifelong learning and personal growth
- Empower members to take action and make a positive impact through mentorship, leadership development, and collaboration

#### **Yodha Club NITJ:**

The Yodha Club, a vibrant martial arts organization, was established at the esteemed Dr. B. R. Ambedkar National Institute of Technology, Jalandhar on December 12, 2023. This dynamic platform is dedicated to promoting physical and mental well-being among students through the exploration and practice of various martial arts disciplines. Founded with a vision to create a community of passionate individuals, the Yodha Club is committed to instilling self-discipline, respect, and confidence among its members. Since its inception, the club has become a hub for martial arts enthusiasts at NITJ, fostering an environment that encourages personal development and a healthy lifestyle.

Objective

- Promote Physical Fitness: Encourage students to engage in regular physical activity through martial arts training to improve their overall fitness and health.
- Enhance Mental Well-being: Foster mental discipline, focus, and resilience through the practice of martial arts.
- Build Self-Discipline: Instill a sense of self-discipline and personal responsibility in members.
- Cultivate Respect: Teach and promote respect for oneself and others, a core value in martial arts.
- Boost Confidence: Help members build confidence and self-esteem through mastering martial arts skills.
- Encourage Personal Development: Provide opportunities for personal growth and development through challenging and rewarding martial arts training.
- Offer Self-Defense Training: Equip members with practical self-defense skills for personal safety and security.

## **APOGEE - Space Club nitJ:**

Welcome to APOGEE, NIT Jalandhar's dedicated space club! We unite students passionate about space exploration and innovation. Through hands-on projects, workshops, and competitions, we provide a platform to explore rocketry, astronomy, and space technology. Join us to transform your cosmic curiosity into real-world space engineering skills.

Website link

[Website Link](#)

Objective

- Build and launch model rockets and satellites, giving members real hands-on experience in space engineering.
- Learn about space science and astronomy through regular workshops, lectures, and practical sessions.
- Create opportunities for members to work on space-related research projects and participate in national competitions.
- Connect students with space industry professionals and experts through guest lectures and networking events.
- Share our love for space through community outreach programs like stargazing nights and school visits.

### **GDSC (GDG) google developer student club nitj:**

Google Developer Student Clubs (GDSC) NIT Jalandhar is a vibrant community of tech enthusiasts and aspiring developers at the National Institute of Technology, Jalandhar. As part of the global GDSC network, our chapter is dedicated to fostering innovation, collaboration, and learning in various fields of technology. We organize workshops, hackathons, and interactive sessions with industry experts to bridge the gap between academic knowledge and real-world applications. Our focus areas include but are not limited to artificial intelligence, web development, mobile app development, and cloud computing. By leveraging Google technologies and resources, we aim to empower students with practical skills, encourage peer-to-peer learning, and nurture a culture of problem-solving. GDSC NIT Jalandhar serves as a platform for students to explore their passion for technology, work on meaningful projects, and prepare for successful careers in the ever-evolving tech industry.

Website link

[Website Link](#)

Objective

- Community Building: Foster a collaborative learning environment for students to enhance technical knowledge and skills through Google technologies.

- Hands-on Development: Empower students to create innovative solutions for real-world challenges, benefiting local businesses and communities through workshops , seminars and Hackathon.
- Skill Growth: Provide workshops, mentorship, and peer-to-peer learning opportunities to support students' career and technical development.
- Leadership & Innovation: Cultivate student leadership and innovation by encouraging the development of impactful projects and initiatives.

### **Society of Mechanical Engineers (SOME):**

Society of Mechanical Engineers, is more than what a typical event organizing team is. Being established in 1993 by the faculty members and students, it is now one of the leading chapters of ISME in North India.

#### Objective

- SOME plays a pivotal role in organizing a range of activities, such as technical events and competitions, workshops designed to enhance practical knowledge, industrial visits to give students first hand exposure to industry operations, and guest lectures featuring experts who share insights into the latest trends and innovations in the field.
- The society's mission is to promote and enhance the technical competency of students, provide them with better insights into the field of mechanical engineering, and support their professional growth and well-being within the campus environment.

### **StrataBiz Club:**

StrataBiz, the Business Analytics and Consulting club of NIT Jalandhar, is dedicated to equipping students with the essential skills to thrive in a dynamic, data-driven world. Our mission is to nurture industry-ready professionals by offering hands-on experience, expert guidance, exposure to real-world challenges in Business Analysis and Consulting. Through interactive workshops, seminars, case study events, and networking opportunities, we aim to bridge the gap between the academia and the diverse job roles awaiting students in the industry. At StrataBiz, we foster a collaborative learning environment where every member can develop the critical thinking and problem-solving abilities needed to excel in today's competitive landscape of Business Analysis.

#### **Objective**

- Skill Development: StrataBiz is dedicated to equipping students with industry-ready skills in Business Analytics and Consulting. Including Soft Skills like Management and Presentation skills.
- Practical Approach: To provide real-world exposure through Workshops, Case studies, Guest Lectures, Expert-led sessions and Networking opportunities.
- Business Acumen: StrataBiz fosters critical thinking, problem-solving, and analytical abilities essential for success in Business Analysis and Consulting, and understand the "Why?" behind Successful Businesses.
- Bridging Academia and Industry: Our activities focus on preparing students for the diverse job roles available in the field by aligning practical learning with industry expectations.
- Career Development: To help students prepare for careers in Business and Technology sector by providing them with access to industry leaders, job opportunities, and mentorship programs.

## **Vortex club NITJ:**

Vortex is the official E-sports club of NIT Jalandhar, dedicated to bringing together students passionate about competitive gaming and digital entertainment. As a hub for gamers, we provide a platform for students to connect, compete, and hone their skills in various popular e-sports titles.

### Objective

- Foster a thriving gaming community at NIT Jalandhar, enabling students to connect, compete, and grow together.
- Organize regular tournaments, workshops, and events to help students enhance their gaming abilities and strategic thinking.
- Advocate for the recognition of e-sports as a platform for teamwork, leadership, and cognitive skill development.
- Create an inclusive environment that welcomes gamers of all skill levels and interests, ensuring equal opportunities for all.
- Establish Vortex as a leading force in e-sports, representing NIT Jalandhar at national and international gaming competitions.
