Student Grievance Redressal Committee (SGRC)

Overview

The **Student Grievance Redressal Committee (SGRC)** aims to promote and maintain a conducive, unbiased educational environment. It provides students a platform to express grievances and pursue resolution through an established procedure aligned with institute regulations. SGRC ensures that grievances are addressed confidentially and with procedural fairness, guaranteeing the **right to be heard** and the **right to be treated without bias**.

Functions of SGRC

- Support students deprived of any entitled services by institute units.
- Promote responsiveness and accountability in the institute's functioning.
- Ensure impartial and fair resolution of student grievances.
- Resolve academic and administrative problems faced by students.
- Coordinate with departments and sections for grievance redressal.
- Guide students on addressing and resolving their issues.
- Foster a harmonious educational environment.

Issues Not Handled by SGRC

SGRC does **not** entertain grievances related to the following:

- Decisions of the Senate, Board of Studies, or other academic/administrative committees.
- Awards of scholarships, medals, fee concessions, etc.
- Disciplinary actions and decisions under Misconduct Rules.
- Admission decisions.
- Examination assessments and result-related decisions.

Note: Students must approach SGRC only after exhausting normal channels (e.g., Warden, Chief Warden, Dean, HOD, Section Head). Grievances must be genuine and fit within the institute's rules. Submit grievances via email, accompanied by relevant documents and prior communication records.

SAMP:

SAMP – Student Academic Mentorship Program @ NITJ

Introduction

The Student Academic Mentorship Program (SAMP) at Dr. B R Ambedkar National Institute of Technology Jalandhar is a comprehensive initiative aimed at fostering a culture of guidance and support. By connecting junior students (mentees) with senior students and faculty mentors, the program ensures that students receive academic, personal, and career-related support to succeed throughout their academic journey.

Objectives and Goals

- **Academic Excellence**
Support mentees in understanding academic content, exam preparation, and effective study strategies.
- **Confidence Building**
Empower students to face academic and personal challenges with resilience.
- **Skill Development**
Enhance core competencies like communication, time management, and problem-solving.

- **Career & Life Guidance**
Provide clarity on career options, industry trends, and life skills.
- **Leadership Growth for Mentors**
Help senior students build leadership, mentoring, and interpersonal skills while giving back to the student community.

Program Structure

Organizational Roles

- **I-SAMP – Institute-level faculty coordinators**
- **D-SAMP – Department-level faculty coordinators**
- **Student Coordinators – Lead the student teams and act as bridges between faculty and students**
- **Senior Mentors – Carefully chosen senior students who mentor and guide juniors**

Mentorship Approach

- **Group Mentoring**
One senior mentor handles a group of mentees. Encourages discussion, cooperation, and peer learning.
- **Flexible Meetings**
Mentorship sessions can be weekly, bi-weekly, or ad-hoc based on availability and need.

Roles and Expectations

For Mentors

- **Act as a first point of contact for junior students.**
- **Assist with:**
 - **Understanding academic subjects**
 - **Preparing for exams**
 - **Managing time and assignments**
 - **Adjusting to campus life**
- **Provide emotional support, career advice, and help mentees engage in extracurricular activities.**

For Mentees

- **Take initiative and participate actively in mentorship sessions.**
- **Share academic and non-academic challenges.**

- Be open to feedback, ask questions, and use the mentorship opportunity to grow personally and professionally.
- Respect the mentor's time and effort, and maintain professionalism.

Program Milestones

1. **First Meeting (Orientation)**
Introduction of mentors and mentees, setting expectations, and goal planning.
2. **Mid-Point Review**
Check-in to assess progress, discuss challenges, and realign goals if needed.
3. **Final Evaluation**
Reflect on the mentorship journey, accomplishments, and future direction.
